In each circumstance, we will only make this disclosure if you agree, or when required or authorized by law.

These requests are often made in connection with governmental audits, investigations, or inspections connected to our licensure. They may also be required to ensure compliance with civil rights laws.

**Health Information Exchange (HIE).** We may disclose Health Information to an HIE for purposes of care coordination and administration. Sacramento County participates in HIEs, including an HIE operated by the California Mental Health Services Authority (CalMHSA). Through HIEs, your health information may be shared with hospitals, behavioral health providers, county health programs, physicians, social workers, and other HIE participants who may provide health or behavioral health services to you.

## USES AND DISCLOSURES THAT REQUIRE US TO GIVE YOU AN OPPORTUNITY TO AGREE OR OBJECT

HIE/42 CFR. Some types of your health information, such as certain substance use disorder records, will not be shared with HIE participants unless you authorize such disclosures; other types of health information may be shared without your authorization. If you do not want us to share your information with HIE participants via the CalMHSA HIE, you may “opt-out” of the HIE by contacting CalMHSA at [OptOut@calmhsa.org](mailto:OptOut@calmhsa.org). Opting out will prevent future sharing of your health information via the CalMHSA HIE, but HIE participants may still be able to access information about you from other sources.

42 CFR Part 2. Records that are disclosed to a Part 2 program, covered entity, or business associate pursuant to the patient’s written consent for treatment, payment, and health care operations may be further disclosed by that Part 2 program, covered entity, or business associate, without the patient’s written consent, to the extent the HIPAA regulations permit such disclosure.

A patient may provide a single consent for all future uses or disclosures for treatment, payment, and health care operation purposes.

We will only use and disclose your protected information as described in this notice, or with your written consent.

You may revoke your consent at any time, except to the consent that Sacramento County has acted in reliance upon it. You may revoke consent by submitting a request in writing or for an alternative revocation process by contacting Sacramento County.

If you were mandated to treatment through the criminal legal system (including drug court, probation, or parole) and you sign a consent authorizing disclosures to elements of the criminal legal system such as the court, probation officers, parole officers, prosecutors, or other law enforcement, your right to revoke consent may be more limited and should be clearly explained on the consent you sign.

Records, or testimony relaying the content of such records, shall not be used or disclosed in any civil, administrative, criminal, or legislative proceedings against you unless based on your specific written consent or a court order. Records shall only be used or disclosed based on a court order after notice and an opportunity to hear is provided to you (the patient) and/or the holder of the record, where required by 42 USC § 290dd-2 and 42 CFR Part 2. A court order authorizing use or disclosure must be accompanied by a subpoena or other similar legal mandate compelling disclosure before the record is used or disclosed.
